

CUSTOMIZE YOUR VILLA IN EL CAMPANARIO, OPEN VIEWS

The promotion is characterized by giving the client the option of configuring the villas without limit, from choosing the façade that best fits the tastes of each one, a multitude of distribution options for each floor of the apartment and an extensive list of materials to choose from .

There are 20 fully independent villas with garden, swimming pool and private garage, semi-basement with natural light and fully finished, ground floor, first floor and solarium.

The facade typologies basically depend on the chosen dwelling.

They are located in a quiet place with sea, golf and mountain views.
